LESSON

Today the subject is COOKING! And she and her friend Zoe are going to talk about it! Cooking is a form of art and today we are going to make Kate’s favorite food. Can you guess what Kate’s favorite food is? It’s Pizza!

A giant pizza appears on screen. Kate and Zoe study it... what colors do they see? The cheese is yellow. The sauce is red. And the green peppers are... GREEN! The pizza is one big circle. And when you cut the pizza, you get 8 triangles! And wow, oh wow... it looks delicious!

ORIGINAL SONG: “Do You Like Pep-pep-per-roni”

Kate and Zoe walking, skipping, and singing the song until they arrive at a PIZZA SHOP. This is intercut with fun pizzas.

Now at the shop, a pizza artist teaches Kate and Zoe how to roll the dough, add the sauce and cheese, put it in the oven, and then to be patient while waiting for it to be done. Kate and Zoe interview the pizza artist while they wait for the pizza to be cooked. “How long have they been making pizzas?” “What is their favorite part of the job?” “What is their least favorite part?” “Did you ever make a funny mistake while making a pizza?” “Do you get to eat pizza every day?”

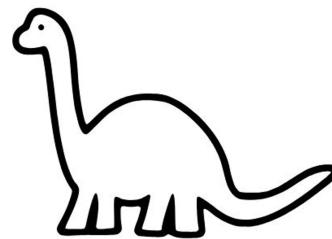

Ding! It’s time to take the pizza out of the oven. It smells delicious! One of the best parts about cooking together is getting to SHARE the thing you made! Kate, Zoe, and the pizza artist do a “pizza cheers” and eat their pizza together.

They all talk about what it means to share. What a fun time making pizza together. Back at home, Zoe—still eating pizza—sings PEP-PEP-PER-ONI. Kate reminds Zoe that everyone loves pizza—even DINOSAURS. We see Kate’s hand drawing a dinosaur and then that morphs into a funny animated video over a little song about how much dinosaurs love pizza.

It’s been a deliciously fun pizza-filled day, and now it’s time to say goodbye.

VINCENT VAN GOGH GO GO!

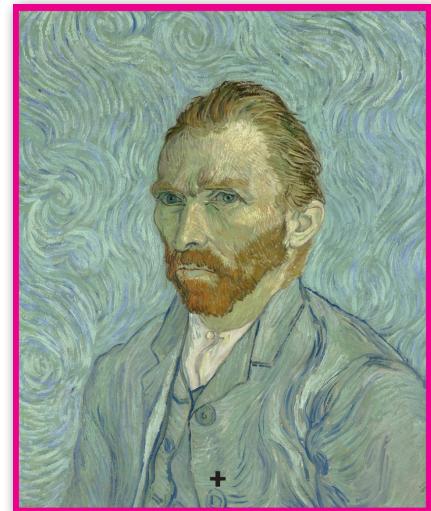

OPENING SONG

Kate sings the theme song “Art is Everywhere”

LESSON

Today the subject is VINCENT VAN GOGH! Kate and Zoe discuss his very cool paintings. Cut to a 60 second animated segment explaining who Vincent is. The video ends with Van Gogh's most famous painting of all... Starry Night.

Kate and Zoe study the painting. Wow! It is SO cool. What color did Vincent use the most in this painting? Blue! What else do they see in the painting? Trees, a little town, stars in the sky. It is so beautiful! Kate and Zoe talk about the word IN-SPIR-A-TION. They wonder what inspired Vincent to paint Starry Night. They decide to ask him!

Kate and Zoe are staring at Vincent's self-portrait. They ask him what inspired Starry Night. Vincent wakes up and comes to life. Vincent explains how each part of the painting came to be. This is intercut with Kate and Zoe finding their own versions of the elements of Starry Night. They also see a town, a tree, stars in the sky, etc. One of the most fun parts of the painting is the “swirly” Vincent painted in the sky.

Kate and Zoe sing an **ORIGINAL SONG** called “Getting Swirly!”

Kate and Zoe draw their own versions of Starry Night. They are so excited to share their drawings with Vincent. They all talk about what it means to share. They both worked hard on their drawings. Vincent says, “Wow, Kate and Zoe! Your drawings are awesome!” Kate and Zoe feel proud. It is fun to share! Vincent loves the way they drew their own town, and trees, and sky. And beautiful, twinkling stars. He then tells Kate and Zoe that he made a wish on the stars.

Kate and Zoe wonder if they can make a wish too. They all decide to wish for something delicious... COOKIES!!!

This leads to a cookie dance party over the #1 hit single: “Vincent Van Gogh!”

It's been a fun-filled day that leads into a very starry night, and now it's time to say goodbye. Kate sings “Thanks for Sharing with Me”

Until Next Time!
